SUBJECT: 2010 Theme and Activity Guidelines

Thank you very much for all your support and efforts for *kosen-rufu* throughout 2009. Let's continue to advance forward victoriously toward 2010, the year we celebrate the 80th anniversary of the founding of the Soka Gakkai, the 50th anniversary of President Ikeda taking leadership as the 3rd president as well as his first visit to America, and the 35th anniversary of the SGI's founding.

Below, please find information on next year's theme and activity focus.

The SGI-USA has adopted the following theme for 2010:

“Year of the Total Victory of Soka and the Dynamic Development of Youth”

The SGI-USA has determined the following sub-theme and activity guidelines for 2010:

With deep appreciation for the past 50 years, let's welcome President and Mrs. Ikeda back to America!

- ❖ Through heart-to-heart bonds, inspire one person after another to transform their destiny
- ❖ Create a starburst of youthful successors for the next 50 years and beyond
- ❖ With earnest prayer, fight injustices and defeat all negative functions to open a path of victory for all humanity

What will I do today to actualize my dreams and advance *kosen-rufu*?
